Description

This beautifully presented Swan 48 was purchased in 2014 by her current owners, a family from Italy who chose this yacht as the best they could possibly find to sail around the world in safety and comfort with their very young children.

Before leaving Italy in 2015, they carried out an extensive refit and comprehensive upgrades including:

Full engine rebuild

New Furling Staysail/Reckmann

New Staysail/ Spectra

New Lateral/Vertical Rod Rigging

New Radar Furuno

Watermaker - Totally revised & New Membrane

New Eolic wind generator d400

New Tender ZODIAC 240

New outboard Suzuki 6Hp

New Interior upholstery

New Anchor CQR 28kg

New Bimini, Sprayhood

New Batteries throughout

New Halyards /spectra

New Generator (Eberspacher)

Full bottom strip and re-high build / primer / antifoul (epoxy intergard 413 ref. Epa 327 4 layers)

New inverter (2016)

Total revision 12 and 24 V alternators (2017)

This boat was fully surveyed in September 2019 (report available) and is presented in immaculate condition. The sails have been stored inside whenever the boat is in dry storage and have had little use. The hull was fully detailed and polished. The interior presents near new and will appeal to very discerning buyers.

Read on for the full description and for more information please contact our friendly team at Nautilus Yacht Management. We are cruising yacht specialists and take a lot of pride in bringing you such a beautiful yacht.

Our agency has helped buyers from all around the world purchase the boat of their dream, and a decade of working on an international platform has provided us with the knowledge to help you with all the steps of your purchase, import, delivery, registration etc. Purchasing a yacht overseas does not have to be stressful. We are here to help.

CONSTRUCTION DETAILS:

The hull is of single skin construction using glass/aramid hybrid fibre reinforced vinylester laminate

A high proportion of the fibres are unidirectional, giving a stiff laminate with excellent strength and fatigue properties.

Structural bulkheads are of honeycomb and laminated to hull and deck.

Stiffener flanges are unidirectional lay-ups over foam cores.

Engine beds are of GRP with steel inserts.

Topside colour is white, boot top and cove stripe are dark blue gel coat.

Bathing platform swim ladder to be a combined bathing/side boarding

Shore power intakes through a small hatch in port side of the transom for the cables with the connection in the lazarette.

Antimony cast lead ballast keel

The mast is stepped through deck onto a mast step with movable shoe for mast rake adjustment

Steering Systems

The rudder is in GRP made in core foam

Wheel steering, destroyer type, covered in elk hide

DECK CONSTRUCTION AND DECK GEAR:

Deck
